THE EVENT**

A rallycross is an event generally held on an unpaved, flat surface, wherein the course generally consists of straight sections and connecting turns and corners. Accent in course design is also placed on the general avoidance of obstacles such as trees, exposures, deep ditches, etc. Please see "Eligibility of Vehicles" and other preparation information below. This Rallycross Event will take place inside the Hope Sports Bowl in the city center of Hope B.C. Surface Terrain will be hard packed dirt and gravel or mud depending on weather conditions.

The WCRA will be holding a volunteer training course before and during this event. The start and finishes will be run as mock stage timing controls. Anyone wanting to volunteer at a stage event, or wanting a refresher is invited to attend this course, this will not limit your ability to compete in the rallycross event, we invite you to try both!
