Note: Best 4 out of 5 events were counted. Organizers & stewards can only get points that way once per calendar year & only towards Overall.																
Note 2: Worker points of 1 for each event worked. All worker, organizer, and steward points are indicated by off .																
Note 3: Some overall points will be marked as "0" while there are points for Class. This is because only the 1 st 10 positions are given points in overall.																
Note 4: a Zero is there if the event was entered but no points awarded; a blank is if the event was not even entered at all.																
Note 5: No is Novice, His is Historic, Pap is Paper, Cal is Calculator, Unl is Unlimited
